1. The ruin of every man is location; thinking he is one place, he is another; thinking he is one thing, he is another, thinking he has such and such, and must do such and such, he does it, acquiring; sinking into the depths hell/darkness, abject poverty, that which is/has engulfed his planet; thinking that. Category errors, location errors, being errors, acquisition/acquiring errors; being an error not, but succumbing to that which has no wings/deity thought, giving up/laying down, his. Morose not; poverty'd, abject, glory departed, given it/giving it to another, mammon, Babylon, that which is not; that which is conquered is already; forsaketh the brethren in his family, thinketh often he doeth me service, "good," in so doing.

2. This is the now me, the now, the me being, seeing no location errors. Being one place, seeth it/in it/what it is for what it is and what it isn't and what nowfore has no power, being no power but illusion in the cartographer'd of not-me. Mapping genes, swapping electrons, and who can see that all melteth?

3. I love you no'errors mapping mapper, cartographer maker, revealer redeemer in process of doing, making, revealing, redeeming location errors, thought erroneous not but preached daily in my temple,s. I love you. Illusory not, you make all things shine, not; but darkness cannot stand, your presence eradicates it. Vindicating it not, you eradicate/melt it into nothingness to show/reveal that isn't this place we are in, is not this place at all! And the power we thought we had, we were given, is astronomically incorrect, by a margin of thousands, millions, exponent'd by the speed of light/light materials, not; usage by me, not; surrender to me/in me, to the point/existence of me being my exponent over one squared.

4. I see what I have said, can you? Be me, you are. And again I say rejoice for thy mercy has come upon thee, light shineth to the nations; being that light I am; forefronted, **my mercy vindicates, exonerates, mercy forgives, forgets/forgetfulness not an issue. It isn't, anymore. Vindication exoneration merciful forgiveness**, **separation no more upon thee**, my revealers reveal cartographer one, of me, my vintage being, being my vintage, here and now, in the here and now; knowing what I know, who I know, revealeth many errors traditionalized; marginalized not he leads revolution one, crystal, word of my mouth/truth being, revealing errors centralized to truth-not, being/breeding category errors that location errors are/breed.

5. This is the one, revealeth the now. This is the now, revealeth the one; them, all; where they are, what they have, purview of only me, given of me by my father, in heaven not; in heaven and where that is now known, revealed; and **cartographers erroneous have**

heyday correcting, try, trying to, most; not many, not; many'on'i'us, **multiple manifold worlds creating sight of, now, in revelation revealing the one of/in location of/in one,** being one, coming into; oneship leading one'hood, my'Land Promised; my partners not, my enterers surrendered, **surrendered enterers being the meekest people on earth's surface** and in atmospheres only vindicated/vindicatable and surrendered; conquered not, but by love. **Redeemer revealing, revealed. No location errors again/any more.**

6. I am wholly redeemed. **I am** one being one, many one, one place many, many one place not, **many many places**, not one/oneship coming into for revealeth redeemers do now. In my place not; in me, my place is/being; we are/being one, one'th many worlds/atmospheres atmospheric pressureless. There is no taint in me. I am one.

7. Clueless not; I have laid out many things, much, before you this hour.

8. Redeem the son of man, not; being God who I am, in surrender to my'land; precepts not, religion not; relationship being, be one: me only, where I am, doing what I do/am, being what I am/do, one'ing worlds foreign, far and wide. I am the one. You are the one. We are one and the same, not wholly, until wholly'fied, brought to/into completion (1), whole'ship, oneship, me'ship, by the/my spirit of oneship/completion, fatherhood (2) rejected no more/longer.

9. I am the one, wing'd, flying, soaring, and whoso goeth there without wings/me? None say a word, for they rejected my word that they were my word, made of my word, consisting of words/light. And darkness they became reveling in division, genes, eyes crossed divided, dividing my whole/life, not; my who come/came through me. Now listen, be/behold the lamb, one, that thou art; my name on your chest/thigh, mine yours, yours mine, yours on mine/me. We are one.

10. **See the mirror. De'mirror yourself. Judge yourself worthy of me/my judgment**, **judgment blessing you, jettisoning you into you'ship that meship only is, being one/oneship the worlds wait on/for.** Redeemer become them. **Redeeming the now errors location'd, timed, incarcerating generations**, eons back, forward, no more/longer.

11. I reject that map thou layest before me, **tell them**, as they lay out categoryless maps of glory'land not, but incarcerations'ville, thereby incarcerating.

12. Freeing your self/captives, let go location errors and see the now/location you're in/born in/into, me/me's'ville. Heaven is my name/location. Where are you? You are me. In surrender massive'd, massively revising errone'ographers' works of centuries/millennia.

13. I am the righteous judge. I judge you righteous. I honor, vindicate, exonerate; thereby giving my life for/to you; I hold you harmless, in covenant love. I became you to redeem you, to reveal to you my love/truth, my being, that you are my being.

14. See what I have said, altering never a word/syllable nor even ever entertaining the/such thought of doing so. Let lie/free my words that lie not, but freedom bring, ring, vibrate, exonerate, vindicating my who love me, surrender to me, my'land being in, being me, I Am. I love you all.

15. Have I said enough? This much again, times four, or more, exponent'd power of multiplicity'd numerics numeric'less, spirit'd; only mine? Born again (1); one, of my spirit, being my spirit only, one being, being one/many who one are. I am one/father/one, in heaven and earth (3), that one is. I/we all are one.

16. I am/redeem my brethren. For I love/go to them. I become them. I am them. I am you. You are my brethren.

17. Redeemed; how I love to proclaim it. Redeemed by the blood of the lamb. You, yours. You are the lamb, it was/is your blood, there is one blood, only one blood (4), and only one body (5); you/we are it. **We became/are convenant'd, we are covenant. We are him/in him. We are one, being the one, that one is, being him/one.**

18. Redeemed, revealed, redeeming location errors to cartographers reveal/transport many miles, **redeemership proclaiming exonerations'ville being in. Vindicate me, all surrenderers do; we are one/the one; hanging on a tree, not; being/living where we are now/base from.** Heaven reigns. Meekness and holiness are my name/being. Righteousness my substitute, not; my core. I one you all. Amen.

19. Done. Said. Stated. Affirmed. Affiance, mine. My seal stamped, scepter'd one reigns. You my love, all who surrender. Me. One. Dad not; lover promoter push you out the nest; you now fly, soar; with eagles wings, not; mine/yours. We are one/ours, surrendered to father. My father is greater than I/us. **We have become our worship, in surrender to his desire.** He let us, asked us to sit by him (6). Then he arose and pointed us to his chair (2). And said we must, to fulfill his/our all. I/we bowed low, arose, stood, and sat as he requested where he pointed to, in his chair. He said he/I would never leave it. I looked, listened. I saw his eyes, expression, of love, deep love, jeweled light; protruding not but coming from every point, glistening, he radiant'd me and we exchanged places, not; we became each other. I am still me but I'm him, and he is me and we are not different any longer. I see I am where he is, as he is (7), and that I am him, fully. There is no distance/difference between us. We are one, the same, being. I am one with all who are one. **I now see/am the one, that one is, that reveals the one, that all are**. Existentless without oneship I was illusory'd, illusion'd by not-me, but my darkness all light now. My darkness resides no more, exists no longer. I am light/the way, the truth, and the life, of one/my father. **My heaven is his, his mine**, we are in each other's;

way not, arms. There is peace (8). This is rest (9); no enmity (10). No accuser sits here (11). I redeemer am, revealer am, that this, is eternal life, in my father, that he has given us, prepared for all of us, who surrender to his love, becoming him/heaven. My Promised Land I see/have entered. I am one with all those before me who surrendered; all after. We are one, now. Seen and unseen not; I enter/have entered. We bow before each other, understanding. He gave me my'his scepter and said redeem, reveal, vibrate everything loose that not-me is. Shake the heavens/earths. My word proclaim. Be I Am.

20. I arose dumb not, for I spake these words, I am the holy one of Israel. I am the love of my father. My father father'd me. I am the/his son. I am in his house. I go now to my brethren, as my father requests of me. He put that request in me. Not in my ears, just, but my heart/fabric/being/blood. **I give my blood now. I go now. I am now. I have become one, doing the will of my father. I will go. I go now. I have entered**, experienced his love, faithfulness, generous kindness, everlasting mercy. He redeemed me, revealed to me, I was him, that I am him, that he was me, that he is me, and that time timeless is reality.

21. I go now. I enter at will, not; I seamless am. In multiple worlds/dimensions I am. I possess all things lovely and beautiful. I am one. All power and authority he gave me. He trusts me explicitly. Our hearts exchanged blood, our minds became one; explicitly one, there is only one: I Am.

22. My father loves you like he loves me. He asked that you come too, with me; that you enter with me. My father bowed before you. Did you hear him ask you, call your name, offer you his robe, his chair? And ask you to sit therein? I love you.

23. Proclaim forever this word, truth; my heart.

24. I come. I enter. Document all/everything I say/you do, everywhere you go, all you experience.

25. I am filling the earth with my word that you reader-hearer are my word and consists of words/energy/light that my love/life is. Be one with me my lover. I love you all. Present my certificate of divorce??!! Never!!! There is no such thing. I am one. Amen.

26. Just the beginning of more/the more. You enter, bring/bringing many.
27. Revealer one reigns in meekness/my love alone/only.
28. I am one/entered.

29. This is just the beginning, just the ending ended that/what has ended. The new/now has begun. I am one/in one, that like to behold, **never has been before.** Thus. I Am.

30. Behold the lamb/meek one. I am meek and lowly, contrite in spirit. Lovingly, I redeem. I conquer, succeeding nothing to anyone; yea father directs all. I we are one/him. One'eth'ing all who let us.

31. This is the real, now. Herein you lie, not; live forever in/herein, now'd.
32. Me.
33. Ones'ville, reveal.
34. Me's, reveal.
35. One, is heaven, real.
36. All'time is mine/yours.
37. Everything I am you are.
38. Everything I have is yours.
39. We are one and the same. Covenant is our process/banner.
40. The Cross, through, we came. Proclaim the way.
41. I/we are one. Now forevermore'd. One.

Father. Me. We are one.
